

DR. PANJABRAO DESHMUKH COLLEGE OF LAW
Morshi Road Amravati.

INSTITUTIONAL BEST PRACTICES

The institute follows a number of GOOD practices each year regularly out of which the practices which deserves special mention Moot Court Association of the College and The Coaching classes for CJJJ and JMFC exam.

MOOT COURT ASSOCIATION-

The college has a well-established Moot Court Association which was established in 2010 with a view to make students compete in National Level and State Level Moot Courts and Moot trials and other contests relating to advocacy skills. The College selects the best students from the college and encourages them to participate in various State Level and National Level Moot Court and Moot trial competitions. The MCA practice was started for developing the Advocacy skills in the students and so that they build a competence for themselves while competing with law students all over India. The college has so far won many National level and state level Moots as well as the prizes for the Best advocate, Best Judgment and Best Power point presentation.

The college organizes Intra College Moot Court competition at the beginning of each year so that the best students from the college can be recognized. Every year this competition is organized before the end of even semesters. These students who participate in this Intra College Moot are then allowed to join MCA. Once the students join MCA a regular training as to practical skill in addition is given to them. Eminent Lawyers of the Amravati always guides these students through their practical experiences. The Best teams from these MCA members are selected through their performances and then they participate in various Moots organized all over India.

This practice has literally helped the students to develop advocacy skills and further test their competence at national Level. This year the MCA activities were systematically arranged with more vigor as a result of which This year also the MCA won many prizes in various competitions organized at National and State Levels

COACHING CLASSES FOR JUDICIAL EXAMS

Another practice that can be defined as Best this was the organization of Coaching Classes with more focused approach for the students aspiring to become Judge. This exam is organized by Maharashtra Public service Commission each year and each conducted in three stages Prelims mains and Interviews.

The coaching class are organized by the college for all these three phases. With the consistent efforts made by college more and more students are getting selected as Judicial Officers. This year also several students were guided for these exams and In The Preliminary Exam that was held in March 2019 14 students from these coaching classes passed and advanced for the Mains exam to be conducted.

These coaching classes and results thereof has given impetus to many students to appear and become Judge. It has been boon those poor students who cannot afford to go to Pune and attend coaching classes there. This can be called as best practice taking into

consideration the vision of Dr Panjabrao Deshmukh who was the founder President of Shri Shivaji education Society whereby students mostly from rural areas are benefitted through these classes
