Conclusion:

The MCA practice includes Intra-College Moot Court which has been successful in inculcating Mooting culture in fresher's and developing the Advocacy skills in the students and so that they build a competence for themselves while competing with law students all over India. The Intra-College Moot Court competition is conducted to create passion and zeal amongst the students for the Moot Court competition and further inculcate fine lawyering skills in the budding lawyers. The Competition also brings forward the skills and hidden ability of the students. This facilitates the MCA Director and the MCA team to spot the talented and interested students who can represent the College in the State and National Level Competition.
