The Perspective Plan for five year 2020-2025

Infrastructure of the College

Shri Shivaji Education Society Amravati's Dr. Panjabrao Deshmukh College of Law was introduced as a Law faculty in 1946 as a part of Shri Shivaji College, Amravati. The growth and progress of the law faculty resulted in the separation of the faculty into an independent law college from the Academic Year 1978-79 and then college got a separate building. Presently, the College runs LLB 3 years Degree Course on granted basis, LLB 5 years Degree Course on non-granted basis and LLM (2 years) Post Graduation Degree Course on non-granted basis. Along with this the College has a Research Centre for Ph.D, Moot Association, JMFC Coaching Centre and various other Coaching centers . There is pool of students seeking admissions to these various courses every year. Infrastructure of the college plays an important role for a College running such professional courses and with these growing needs the present infrastructure of the college is found insufficient. For smooth running of all these courses, College visions to have dynamic Annex Building with following facilities:

- ✚ New Annex 3 storied Building which would have separate classrooms for each Degree Course
- ✚ Construction of new Classrooms with ICT facilities
- ✚ A well-furnished and huge Moot Court Hall
- ✚ A well-equipped Library with ICT facility
- ✚ A developed and equipped Research Centre for legal research purpose
- ✚ A Modern Auditorium/Theatre equipped with recent technology
- ✚ A furnished staff room and personal chambers for teachers
- ✚ A separate well-equipped chamber for NAAC purpose
- ✚ A well-equipped Computer Lab with Wi-Fi facility
- ✚ A well-furnished administrative wing for proper administrative works.
- ✚ A large Indoor Games Hall
- ✚ Separate Rest rooms for the girls and boys

- ✚ Proper ramps, railings, lifts and other facilities for specially abled people or sick person
- ✚ Common room/Rest room and different washroom for teaching staff, non-teaching staff and students and also construct disable-friendly washrooms.
- ✚ To increase use of renewable sources of energy by installing solar panels, enhancing present rain water harvesting system and implementing as much as possible *State of Art* technology

Providing proficient Legal Education

Law is never static, it is most dynamic branch of Humanities which maintains a legal order in the society by keeping balance of social and moral order. Thus it needs to change with the changing needs of the society. To keep pace with the changing needs of the society, the person studying law should be provided progressive, innovative and pioneering legal education. For this purpose we need to put more efforts to make law education dynamic and more and more

- ✚ To take a step forward towards improvising quality of law education provided by the institution.
- ✚ To start Diploma courses related to law viz. Diploma in IPR, Cyber Laws, Environmental Laws, Taxation, Human Rights and other important laws.
- ✚ To hold national and international conferences, seminars, workshops on contemporary legal issues
- ✚ To arrange for Guest lectures by inviting legal luminaries viz. Judges, Advocates on record, Senior advocates and experienced legal fraternity
- ✚ To promote research in the field of law and for the same to approach various agencies for the Research oriented works
- ✚ To promote internships amongst students and sign MoU's with different institutions to facilitate for better internships, legal programs and other legal avenues

- ✚ To improvise career counselling and provide better opportunities for the students
- ✚ To take benefit of ABC scheme i.e. Academic Bank of Credits for the student and create repository of Academic awards.

Imparting professional Legal Education

For fine lawyering skills along with Legal education it is essential that the lawyer possess ethical and moral values. Legal profession demands that the lawyer should be a responsible citizen and imbibes with the social order of the society. The fine lawyering skills should be inculcated at college level. With this objective

- ✚ Students are promoted to participate in legal aid activities carried out through legal aid centers
- ✚ Establishment of more and more legal aid clinics. College aims to adopt various remote villages and make such village *adarsh village* with proper law and order. A team of Law teacher and Law student would be constituted. These volunteers would visit these villages once in a week on a pre-fixed day and provide legal aid to respective villages.
- ✚ To plan for more and more legal aid camps
- ✚ As part of value education, National festivals and historic days like Constitutional Day, Hindi Divas, Women's day etc. should be more vibrantly celebrated.

To connect Classrooms with Court Rooms

One of the important pursuit of fine lawyering skill is presentation and arguing the subject matter with confidence. It is accepted as a fact that there is vast difference between studying law and practicing law. To break this myth, the college thrives to bridge the gap between the studying law and practicing law. Moot courts as part of curriculum and MCA-Moot Court Association plays a vital role in giving practical experience.

- ✚ Moot court association of the college is progressing with leaps and bound and college provides all possible support necessary for encouraging students to participate in various national and international moot court competitions
- ✚ College conducts Intra Moot court competitions to encourage students at inter college level, to conduct more and more Moot Court Competitions. To plan special moot competition for First year students which would bridge the gap between the classroom and the court room at inception level
- ✚ College already facilitates Regular District court visits, planned High Court visits and yearly Supreme Court visit as part of educational tour. To arrange more and more Supreme court visits and visits to various High Court, National Green Tribunal and other tribunals and administrative bodies, in minimal costing and maximum output so that each and every student can be part of such educational tours.
